

## Follow up with the people you meet. Consider LeadGen for Anaheim.

### We sold the tickets, you get the sale.

EventsPass LeadGen is a fast and powerful way to build your lead database, using the tickets guests

### Just scan.

Each ticket scan is a lead, which you can follow up with during or after the show. It's as easy as tapping export, and the data is yours.

Create a mailing list, take notes from your conversations, run a prize giveaway, and more. We
